**7th District Commander's Report
Mid Winter**

Since our fantastic weekend in New York City for our Fall DEC Meeting it has been a return to normal business for the 7th District.

7th District Officers were present for the Pearl Harbor Memorial Ceremony at the Rochester Yacht Club. There was one survivor that participated in the ceremony.

At our last District Meeting we had guests from the 8th District. Our Detachment Vice Commander Tim VanPatten for purposes of introduction. He introduced Ron Kuczenski as a candidate for Detachment Vice Commander. Ron spoke of his service to the Sons and the various chairs that he has held. We voted unanimous to support him for Vice Commander. A letter of support was also given to Ron and wished him good luck.

Our District Officers participated in Holiday events at both the Bath and the Canandaigua Veteran Hospitals. Christmas Festivities with children's parties, a wheel schair escort for Christmas Day services and a Gift Shop & Wrapping Sunday prior to the Holidays

Many of our awards and projects are taking shape . Our Doc Powers Member of the Year Award and our Quentin B. Smith Memorial Scholarship are in progress.

Our annual Day of Bowling is in the planing stages and there will be Fliers to follow. It will be some time in April at the Doug Kent Lanes in Newark. Jesse Parks always does a great job organizing and putting on the event.

Our biggest event will be our Flag Education and Retirement Ceremony that our Americanism committee organizes. It will be held Sunday, June 3rd at the Chili Post 1830.

Jim Daly and his Committee always puts on a great ceremony. Please if you get a chance to attend the ceremony it is well planed and well done.

Our Fund raiser is in progress. A fifty fifty drawing with 3 winners. Half of our proceeds will go to the Committee to elect Jim Coats for Detachment Commander. Help elect a great candidate for Detachment Commander and you might get some cash to go along with it.

Membership is currently at 52.45% for 4th place in the Detachment. We may be short on our 60% Jan 18th target date with 8 squadrons still showing 0%. Much work to be done.

10th District sons of American Legion commanders. Report. First I'd like to say to Commander Clancy that we had a great DEC meeting in City Island in the hospitality of his post was just great. As District Commander I wish I could have joined you guys for the veterans parade in NYC but I am part of the color Guard of my post and we were having a big Veterans Day dance . Once again I report squadrons are very involved in their communities we just have a hard time forming a district this doesn't mean as District Commander I'm not out there. Right now I know we have a squadron in Queens that might be folding and we're trying to work on saving them or having them transfer to another Squadron I'm very happy to report that we had sons member take part in the American Legion wreaths across America and one being Chris Cerullo past National Commander. I have one new Squadron coming up to the Midwinter conference their first time the Bohemia Sons American Legion 1146.

He is first vice command be attending. Are squadron with busy with Christmas parties for veterans and children's throughout the district we look forward for a good midwinter conference.. God bless our veterans and God bless the American Legion.
