

# Accessing Community Care

## New Materials Available for Veterans

**\*\*Please Share Widely\*\***

Please help us raise awareness and understanding among Veterans about the general process by which Veterans can access community care.

The VA Office of Community Care is pleased to provide new communications products explaining the process for accessing community care. **Please feel free to use and share widely.**

The following resources are now available:

- [Handout: Accessing Community Care and FAQs](#)
- [National Webpage: Accessing Community Care and FAQs](#)

Blog Posts - Veterans: How to Access Community Care

- [VAntage Point](#)
- [Infographic – Accessing Community Care](#)

We are working to proactively address knowledge and information gaps related to community care—please be on the lookout for updates on related topics such as the Health Net Federal Services (HNFS) contract closeout, Community Care Network (CCN) transition, and implementation of the new community care program under the VA MISSION Act of 2018.

*VA Core Values: Integrity, Commitment, Advocacy, Respect, Excellence (“I CARE”)*
