

## Detachment of New York – Children & Youth Committee 2022-23

---

**TO: All Squadron Commanders, All County & District Commanders**  
**FROM: The Children & Youth Committee (Det. Of NY)**  
**RE: April is American Legion Children & Youth Month**

### **We challenge EVERY Squadron to host an event in April for Kids!**

We ask you to support of the American Legion Veterans & Children's Foundation which aims to raise \$25,000,000 in support of the "Be the One Campaign" to stop veteran suicide.

### **We want every Squadron to run an event for Kids and with Kids involved!**

One idea is a waffle and ice-cream breakfast – Let Young SAL Members run it.

### **Waffles For Warriors - Americas Kids Helping Veterans and Their Kids**

Squadrons can organize any fundraiser they want but get our kids involved as, it adds vitality to the Squadron and prepares them to be good citizens of the future.

### **Make a Press Release for Your Event**

We have included a fill-able press release and info on The American Legion Veterans and Children's Foundation which is raising money to stop Veterans Suicide "Be The One"

Any questions please contact any member of the C&Y Committee (#s below)

Have a FUN event and Get Kids Involved & Do Good!

Enthusiastically,

*BC*
