On Friday, October 12, 2018 the Children and Youth Committee met in Indianapolis, IN at 6PM. The following information came out of our meeting that I would like to share with everyone:

- The Committee will issue, at a minimum, two E-newsletters one in the Winter and Spring. These newsletters will highlight Children and Youth programs and what other Detachments and Squadrons are doing to raise money for our Children and Youth Programs.
- We will have teleconference calls every other month on the third Tuesday of the Month at 8PM EST (November 20, January 15<sup>th</sup>, March 19<sup>th</sup>, and May 21<sup>st</sup>). The Call -In number is 563-999-2090 Pin #415918. All are welcome!
- Please like our Facebook page “Sons of The American Legion Children and Youth Page” Currently we have 419 likes for this page. We should be in the thousands. The page will highlight programs through out the year and will show what is being done around the country to raise money for our programs. Please pass this around and sign up!
- The Children and Youth Conference will be hosted by The American Legion in September 2019. Its an excellent way to learn about our programs, learn what others are doing around the country to raise money, and hear from current CWF recipients and learn how they spent their award money. Only 5 SAL members attended last year. Please get the word out and have your Children and Youth Chairmen and/or members sign up.
- Our following Committee members have been assigned to regions please reach out to them if you have any questions:
