

# Dinner with "Doc"

Attention:  
District  
Commanders!

You could be the recipient of a **complimentary dinner** with our National Commander Greg Doc Gibbs, by bringing the most members into your District between the dates of **June 1 and July 13**.

(New members must be submitted and recorded by the Department by the final membership report before Convention to qualify)

Enjoy an evening with Doc for dinner at a location and date mutually agreed upon. Chat with Doc about how you were able to obtain new members and about accomplishments in your District. Learn from the National Commander tricks of the trade, and hear about some of the fascinating places he has traveled, and the great people he has encountered.

For further details contact the Detachment of New York Membership Chairman, Daryl VerStreate Jr. at [Daryl7374@gmail.com](mailto:Daryl7374@gmail.com).
