PLEASE NOTE:

There have been two columns added to the Membership Report:

SDR: This column, if checked, indicates that a Squadron Data Report has been received and is on file.

CI: If checked, indicates that there is at least 1 email address on file that has been recovered from a current or old Officer Certification Form or Notification of Officers, for someone representing the Squadron. Unfortunately it may or may not be out-dated without a current submission.

Obviously, if there is no check in the CI column, we need an email address from the Commander or Adjutant of the Squadron ASAP.
