

CARE RESOURCE GUIDE

Veterans and their Families, Caregivers and Survivors have many resources available to answer their questions on services related to the Coronavirus, or COVID-19, and the care, benefits and services available from the Department of Veterans Affairs, other agencies and non-profit organizations.

Coronavirus information: The federal government response www.coronavirus.gov/

The actions of the Department of Veteran's Affairs (VA): <https://www.publichealth.va.gov/n-coronavirus/>

VA has implemented an aggressive public health response to protect and care for Veterans in the face of this emerging health risk. We are working directly with the Centers for Disease Control and Prevention (CDC) and other federal partners to monitor the outbreak of the virus.

These measures include outreach to Veterans and staff, [clinical screening at VA health care facilities](#), and [protective procedures](#) for patients admitted to community living centers and spinal cord injury units.
